

Hydraulically operated workplace crane type HB...GK FaPo

Counterweight crane

Easy manoeuvring

Tight approach to the load and machines due to undercarriage moved towards the back.

13 cantilever positions

Particularly long jib length and load capacity, ideal for maintenance work under the ceiling or above machine systems.

Ready-to-operate crane with drive support through drive positioning. Incl. inspection log

- * Loading capacity at projection before hydraulics/projection before wheels
- ** Include in order or insert yourself prior to deployment.
