

MILLER Lifeline Falcon self-retracting galvanised standard range

A self-retracting lifeline is the ideal fall protection solution for construction, industrial, warehouse, utility, mining and confined space applications. Nearly indestructible, high-impact resistant nylon housing, galvanised steel cable and screwgate karabiner. Load indicator with swivel karabiner at the top and swivel snap hook. The quick-activating braking mechanism stops a fall within centimeters. EN 362; EN 360

Characteristics

Series: Falcon

Type: 1011750

Length m	Norm	Article
