

EMMA Safety boot Bryce protection level S3 D-fit DUO sole

Ultimate safety that feels like it's made just for you,
100% Safe, 100% Comfortable, 100% Circular.

Experience the safety of the reinforced upper material in combination with perfect comfort. Bryce is the perfect safety shoe for those working in construction, agricultural or metal industries. The impenetrable sole protects your feet from sharp and metal objects. The steel toe cap and reinforced PU toe cover, offer protection from falling objects. Created with microfiber components that can stand up to cement. While concrete makes leather turn dry and hard, microfiber simply remains flexible. Bryce is also perfectly able to resist corrosive substances and the bright and reflective 3M strip will ensure that you remain very visible at all times.

The world's first ever circular safety shoe!

Characteristics

Series: Bryce

Type: D

Norm: EN ISO 20345:2011 [E] S3

Safety class: S3

Mid-sole protection: Yes
