

BAUER Waste container with hinged floor, painted/ galvanised

Folding floor container (suitable for cranes), RAL 2000

- **Robust steel construction with smooth inner walls**
Can be stacked in threes, adapters for forklifts, pallet trucks (100 mm clearance height) and crane (with 4 crane lugs Ø 40 mm).
- **Easy to fill and empty**
Base flap can be unlatched by rope pull from the forklift seat.
Rubber spring dampens the jerky movement of the base flap during the emptying process.
Base flap automatically closes when placed down.
Protection against accidental slippage and opening of the base flap.
- **Surface**
Choice of finishes,
in RAL 2000 orange as standard
or hot-dip galvanised in line with EN ISO 1461.
Additional colours available free of charge. See colour chart for more details (please specify when placing your order).
- **Optional accessories**
Matching galvanised lid, opens in 2 parts as well as centring panels and rollers can be ordered separately.
