

RUST-OLEUM NR1. Green paint stripper

Nr. 1 Green Paint Stripper is a highly effective paint dissolving/lifting material without methylene chloride. Removes all paint types.

- Far more effective than other green paint strippers on the market
- Quick-acting
- Contains no methylene chloride
- Gel like paste also works at low temperatures [$< 0^{\circ}\text{C}$]
- Also effective as glue remover
- Remove all types of oil- and alkyd-based paints, emulsion paints, varnish and most two-component materials

NR.1 Green Paint Stripper should be used for quick removal of old paint. The product is intended to remove all types of oil- and alkyd-based paints, emulsion paints, varnish and most two-component materials from metal, mineral and wooden substrates.
