

3M Masking tape 101E

3M™ Value Masking Tape 101E is a smooth, multi-purpose crepe paper tape for room temperature indoor light-duty applications. It is ideal for non-critical paint masking, but also bundling, sealing, attaching, and other applications. Chamois color, rubber adhesive, thickness 0,12mm, this tape is designed for general use.

The cost-effective general purpose value masking tape for room temperature indoor light-duty applications is a chamois-colored, 0.12 mm thick adhesive tape with rubber adhesive for general applications (temporary attachment, masking for painting without burning, etc.). It provides conformability on irregular surfaces and around corners and is hand tearable for easy use

Characteristics

Series: 233

Type: 101E

Application

Suggested Applications

- General purpose short-term room temperature paint applications
- Light-duty applications
- Masking for joint sealing applications
- Use for temporary fixing, attaching or holding
- Label marking
