

## FORMAT Flat chisel for the masonry work type 6844

Design: Made of chrome-vanadium air hardened steel. With tempered striking head, therefore bulge formation, beading and chipping are almost excluded. Blade and shaft hardened, tempered and lacquered.

Note: Re-sharpening without post-curing the cutter is possible repeatedly with simple wet sanding.

| Type          | Length<br>mm | Chisel width<br>mm | Article  |
|---------------|--------------|--------------------|----------|
| Stone chisels | 250          | 23                 | 23076710 |
| Stone chisels | 300          | 26                 | 23076687 |
| Stone chisels | 400          | 30                 | 23076688 |
| Stone chisels | 500          | 30                 | 23076689 |
