

ANSELL Glove ActivArm®Hylite™ 47-400

Description

A versatile alternative to cotton, light leather and PVC. Special nitrile formulation provides an excellent combination of flexibility, mechanical resistance and oil repellency. Silicone-free. Ensures cleanliness of metal sheets: important in steel and motor industries. Antistatic according to EN1149.

Ideal Applications

- Gas and electricity supply
- Shipping and receiving
- Assembling and inspecting engine parts and small components
- Refuse collection
- Sheet and light metals handling
- Stamping operations
- General handling

Mechanical risks : EN388:2003 2111; EN388:2016 3111A
