

EMMA Protective shoe Treviso protection level O3 D-fit ESD (antistatic)

The smarter safety shoe.

A polished leather upper, energy returning soles and a completely comfortable 'foot hugging fit' provides the Treviso with a naturally light and airy 'on foot feel'. Water resistant uppers and a woven insole make the shoes virtually penetration proof. The 100% nitrile rubber outsole repels liquids, harmful or otherwise and the ingeniously designed sole contours provide extra grip on almost all surfaces.

Characteristics

Series: Treviso

Type: D

Norm: EN ISO 20347:2012 [E] O3

Safety class: O3

Mid-sole protection: Yes

Shoe size	Shoe size (UK)	Model	Width	Heat resistant outsole	Antistatic	Slip resistance	Article
