

EMMA Safety boot Mendoza D duo S3 with waterproof membrane

Tough jobs require tough boots.

If you're working in the world's toughest occupations, you need a pair of boots that are more than up to the job. State-of-the art Sympatex® construction provides perfect foot protection for 'hands on' roles within the Chemical Industry and Agriculture. They're virtually waterproof inside and out. Tested for up to 7 hours fully submerged, the Mendoza boots also allow feet to breathe properly, keeping them cool and dry.

Characteristics
