

3M Scotch-Brite Clean & Strip GP Disc CG-DC

Design: Resin-bonded nylon fibre fleece with silicon-carbide grain, extra coarse. Open, flexible weave prevents the coarse-cleaning disc clogging. Bore 13 mm.

Application: For use on straight grinders and flexible axles. For efficient removal of rust, corrosion, old laminates and discolouration, cleaning of metal surfaces and weld seams. For use with mandrel [Order No. 8336].

Adapted to especially flexible workpieces, with long life span.
