

BRADY Lockout padlock nylon/nylon

Nylon body/nylon shackle - the ultimate locks for all of your safety and security needs! Unique cylinder is insulated to protect workers from shocks when key is inserted and is 6-pin precision-machined for more unique key cuts and better tamper resistance. Reserved, paracentric keyway provides optimal security and the special design prohibits the key from being released until the padlock shackle is closed. Locks are compact and lightweight and resist impact, temperature, chemicals and corrosion. Their non-conductive, non-sparking body features a ribbed design for easier gripping and handling. 1 key supplied with each lock. Key retaining [Key won't release until the padlock shackle is securely closed]. Custom keying and charting is available. These padlocks have the added advantage of being fully electrical resistant. The plastic shackle cuts off the electrical current from the shackle to the key. 6pcs/box, keyed to differ.

Colour	Lock width mm	Shackle diameter mm	Shackle width mm	Shackle height mm	Material	Article
Black	38.5	6.5	33	38	Nylon, robustly reinforced body with steel shackle	12562989
