DEB STOKO Dispenser TouchFREE Ultra dispenser with Chrome

'Touch-Free' Dispenser
- Encourages use and minimises any risk of cross-contamination.

Versatile
- Can be mounted on walls in washrooms, corridors and hallways or on Deb's free-standing chrome stand.

Reliable
- Uses the latest infra-red sensing technology for reliable operation to prevent misfiring; tolerant to skin colour, temperature, ambient light & humidity.

Large Capacity
- Cartridges contain 1200ml of Deb Stoko foam hand wash product providing approximately 1714 applications and 1000ml of foam hand sanitisers providing 1429 applications.

BioCote® Protected
- Dispensers are protected by BioCote®, a silver-based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and moulds. BioCote® does not rub-off and is effective for the lifetime of the dispenser.

Fixed product dose
- Delivers the exact amount required, controlling usage and reducing waste.

Unique locking mechanism
- Helps prevent unauthorised access, pilferage and product contamination.

Sight glass
- Provides visibility of the level of product in the cartridge which helps identify when product needs replacing.

Simple cartridge replacement
- Designed for exclusive use with Deb skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.

Hygienic, airless cartridge
- The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.

Minimal waste
- The air-tight cartridges are designed to collapse to minimise product waste.

Characteristics

Series: TouchFREE Ultra

Type: TF2WHI

Model	Reservoir capacity ml	Article
TF2AZU	1200	12302300
TF2CHR	1.2	12302298
TF2WHI	1.2	12302299
