

Exhaust gases compensator with steel weld ends, type KSU

Characteristics

Type: KSU

| Type | Nominal inner diameter | Nominal inner diameter bellow | Face to Face length | Bellow compression stage | Exterior diameter welding end | Article  |
|------|------------------------|-------------------------------|---------------------|--------------------------|-------------------------------|----------|
|      |                        |                               | mm                  |                          | mm                            |          |
| KSU  | DN 40                  | 1.1/2"                        | 205                 | PN 2,5                   | 48.3                          | 10039957 |
| KSU  | DN 50                  | 2"                            | 245                 | PN 2,5                   | 60.3                          | 10039958 |
| KSU  | DN 65                  | 2.1/2"                        | 245                 | PN 2,5                   | 76.1                          | 12753899 |
| KSU  | DN 80                  | 3"                            | 245                 | PN 2,5                   | 88.9                          | 10039980 |
| KSU  | DN 100                 | 4"                            | 245                 | PN 2,5                   | 114.3                         | 10039983 |
| KSU  | DN 125                 | 5"                            | 245                 | PN 2,5                   | 139.7                         | 11051162 |
| KSU  | DN 150                 | 6"                            | 245                 | PN 2,5                   | 168.3                         | 11371227 |
| KSU  | DN 200                 | 8"                            | 245                 | PN 2,5                   | 219.1                         | 11371229 |
| KSU  | DN 250                 | 10"                           | 245                 | PN 2,5                   | 273                           | 11371230 |
| KSU  | DN 300                 | 12"                           | 295                 | PN 2,5                   | 323.9                         | 11371231 |
