

## Safety clamp coupling with swivel flange type ECLF-HP

### Characteristics

**Type:** SHLF-HP

**Type of component:** Hose tail coupling

**Material:** Flange Carbon Steel/Tail SS AISI316

**Connection type:** Flange

**Hose fitting type:** Swivel Flange

**Connection termination:** EN1092 PN40

**Elbow angle [degr.]:** 0 °

**Hose tail execution:** Serrated, with safety collar

**Temperature range [°C]:** -40 / 260 °C

| Connection termination size | Hose ID [DN] | Maximum operating pressure |     | Article  |
|-----------------------------|--------------|----------------------------|-----|----------|
|                             |              | bar                        | psi |          |
|                             |              |                            |     | 12745224 |
| DN 15                       | DN12         | 18                         | 261 | 11132708 |
| 3/4"                        | DN19         | 18                         | 261 | 12745225 |
| DN 25                       | DN25         | 18                         | 261 | 11018786 |
| DN40                        | DN38         | 40                         | 580 | 12173283 |
| DN 15                       | DN12         | 18                         | 261 | 10037926 |
| DN 15                       | DN15         | 18                         | 261 | 10037927 |
| 3/4"                        | DN19         | 18                         | 261 | 12745217 |
| DN 25                       | DN25         | 18                         | 261 | 11029954 |
| DN 25                       | DN25         | 18                         | 261 | 11104688 |
