

## HONEYWELL Backflow preventer Series: RV280 Type: 1440 Brass Internal thread (BSPP) PN16

### Characteristics

**Series:** RV280

**Type:** 1440

**Norm:** EN (DIN)

**Construction type:** Straight

**Housing material:** Brass

**Connection:** Internal thread (BSPP)

**Face to Face norm:** Manufacturer standard

| Nominal inner diameter | Pressure rating | Face to Face length | Sealing | Material disc | Spring material | Maximum medium temperature (continuous) | Maximum pressure difference at 20 °C | Article  |
|------------------------|-----------------|---------------------|---------|---------------|-----------------|-----------------------------------------|--------------------------------------|----------|
|                        |                 | mm                  |         |               |                 | °C                                      | bar                                  |          |
| 1/2" [15]              | PN16            | 65                  | NBR     | POM           | Spring steel    | 70                                      | 16                                   | 11812317 |
