

## SKF High precision axial contact thrust bearing Series: BEAM

### Characteristics

**Series:** BEAM

**Cage:** Polyamide

**Variant:** Double direction

### Application

- Recommended in: Chemical

| Manufacturer ID    | Inner diameter<br>mm | Outer diameter<br>mm | Height<br>mm | Contact angle<br>° | With sealing | Article  |
|--------------------|----------------------|----------------------|--------------|--------------------|--------------|----------|
| BEAM 012055 C-2RSH | 12                   | 55                   | 25           | 60                 | Yes          | 13635829 |
| BEAM 017062 C-2RSH | 17                   | 62                   | 25           | 60                 | Yes          | 13535751 |
| BEAM 020068 C-2RSH | 20                   | 68                   | 28           | 60                 | Yes          | 13635830 |
| BEAM 025075 C-2RSH | 25                   | 75                   | 28           | 60                 | Yes          | 13535752 |
| BEAM 030080 C-2RSH | 30                   | 80                   | 28           | 60                 | Yes          | 13535753 |
| BEAM 030100 C-2RSH | 30                   | 100                  | 38           | 60                 | Yes          | 13535754 |
| BEAM 040100 C-2RSH | 40                   | 100                  | 34           | 60                 | Yes          | 13535755 |
| BEAM 040115 C-2RSH | 40                   | 115                  | 46           | 60                 | Yes          | 13535756 |
| BEAM 050115 C-2RSH | 50                   | 115                  | 34           | 60                 | Yes          | 13535757 |
| BEAM 060145 C-2RSL | 60                   | 145                  | 45           | 60                 | Yes          | 13635831 |
