

DEB STOKO Skin cleansing heavy Solopol GrittyFOAM®

Solopol® GrittyFOAM® first heavy duty foam hand cleaner in the world with non-abrasive cornmeal bio-scrubbers (TM) is powerful yet gentle to the skin to remove most industrial soils. The rapid and effective deep cleaning, combined with excellent feel of the skin during and after use. Up to 45% more hand washes per liter compared to traditional hand cleaners.

Characteristics

Series: Solopol® GrittyFOAM®

Application

- For use at the end of each work period, or more frequently if required, to remove synthetic and mineral based oils and greases, plus most other ingrained industrial contaminants, such as synthetic and petroleum based oils, greases & lubricants and general dirt and grime.

Operating Principle

- Apply 1 dose to dry hands and rub in well to loosen soilings. Then add a little water and continue to rub before rinsing well with clean running water and dry hands with clean paper towel.
